TUESDAY, 29<sup>th</sup> of June 2021

Webinar 1 – 9:40-15:20 EEST (Finland/Ukraine)| 8:40-14:20 CEST (Spain/Poland)

|             |                                                                                                                                                                                                |
|-------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 9:40–9:50   | Log in to the session                                                                                                                                                                          |
| 9:50–10:00  | Welcome from ClimEd European Coordinator – Hanna Lappalainen                                                                                                                                   |
| 10:00–10:10 | Welcome from ClimEd National Coordinator – Sergiy Stepanenko                                                                                                                                   |
| 10:10–11:00 | Qualification framework. Methodological and organizational approaches of its development. <i>Marek Frankowicz</i>                                                                              |
| 11:00–11:10 | Coffee-break                                                                                                                                                                                   |
| 11:10–12:00 | Establishing the WMO Competence Framework for Climate Services. <i>Enric Aguilar</i>                                                                                                           |
| 12:00–12:30 | LUNCH                                                                                                                                                                                          |
| 12:30–13:20 | The WMO Reform: facing and responding to new scientific and technological challenges. <i>Manola Brunet</i>                                                                                     |
| 13:20–13:30 | Coffee-break                                                                                                                                                                                   |
| 13:30–14:20 | Present state of implementation of competence-based approach - best practices applied in Ukraine. <i>Oleh Tiapkin</i>                                                                          |
| 14:20–14:30 | Coffee-break                                                                                                                                                                                   |
| 14:30–15:20 | The relationship between competence framework and qualifications framework. Practices of transformation national, sectoral and other frameworks in different countries. <i>Yuri Rashkevych</i> |
